## CONCEPT & INNOVATION

### Star Quality shines!

*Gold Stars are for Highest Achievements*

*Silver Stars for Exemplary Conduct and Application*

*Bronze Stars are for a High Pass.*

*White Stars are for Participation.*

*Everyone who completes the year, scores a single star.*

*Collect Stars throughout your life, they count.*

*Volunteer work can provide you with stars too, for every completed year of service.*

*Each year of college gives you the opportunity for more stars,*

*Each season of participation in a recognized Sporting Team...*

*Each completed year of full time Taxed Employment...*

*So everyone scores some stars...*

*But it gets better...*

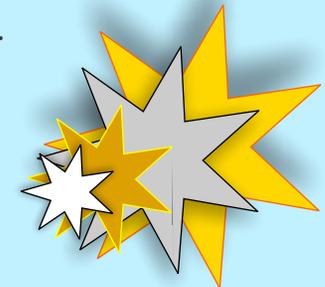

*Every person is born with 5 of each colored star to give away. Each year they are automatically given a single Gold, Silver, Bronze & White star to give away. Personal Stars can only be given out to others once a person has reached 10 years of age.*

*Only personal stars can be given to others. Awarded stars can Only accumulate unless taken away by a court of law.*

*Registered Charities can give stars to Volunteers and Donors.*

*Registered Businesses can give stars to Employees*

*All star transactions are registered with Star Central. All Stars are maintained on a Star Card, which is an extended ID.*

*Employment opportunities may be based on Star Card Balances. This can include Offers of Employment, Promotion or preferred Vacation dates.*

## CONCEPT & INNOVATION

If we speed in our cars, we can receive de-merit points which add up against our licence, If we park too long, we can receive a ticket, but currently, there are no rewards for good behavior, only punishments for bad behavior.

We reward our children for good behavior and discipline them when they break the rules, surely that practice needs to be consistent across society.

Your application to college may hinge on your Star count, Your application for employment definitely will.

We need to set up a commission to create a Star Center, define the awarding of Stars, rules and regulations governing their application, create a national accounting system, produce cards and provide assistance to Awarding Groups, Awardees and provide lost card and online help services.

Funding should be supplied by Awarding Groups, as they will benefit over time as they learn the value of a built in 'reference' system.

Gold Star recipients should also receive a Gold Certificate, that can be attached to application documents.

As with qualifications that are often listed as initials after someone's name, it may become common to list someone's Star count as of a certain year. e.g. "James D. Smith, ★952-2022"  
(signifying a total of 952 Stars at the end of 2022)

**YOUR REPUTATION DEPENDS ON IT!**
